Dear Families,

Parent Opinion Survey
To ensure continued improvement in all areas of the school it is critical we seek feedback from the school community. We are currently surveying students, staff and families as part of our ongoing review processes. If you could spare 10 minutes I would be grateful if you could complete the survey and support our school to become even better by visiting the link below:

2017 Enrolments:
We are starting to look at class structures for 2017. As our funding is totally linked to numbers of students we need to know who is likely to be here in 2017. If you know now your son/daughter will not be here in 2017, could you please contact the Front Office and let us know. If you know of other families planning to attend our school in 2017 and they have not yet contacted the Front Office, please ask them to do so.

Staffing term 4
I would like to thank Mr Jon Sharp and Mrs Naomi Miettunen for their work in term 3. We have appreciated their efforts and look forward to seeing them in the future, maybe as TRTs. I would also like to thank Mrs Sawley for her great work in room 6. We welcome back Mrs Barker and Mrs Woodforde after long service leave and look forward to hearing all about their big holidays.

Wishing all our families a great break over the holidays and look forward to another busy term when you come back.
On Friday we held a wheels day to raise money for John Andrew who has been riding the Yorke Peninsula in aid of raising money for the Royal Flying Doctors.

We had a great number of students bring along their bikes or scooters. We even had a brave girl on skates as well as a go-kart.

The students rode around a track which went around the school during break times. They all had a great time.
On behalf of the Wallaroo Mines Primary School we wish to thank Markus Schmid for everything he has done at WMPS. He has donated so much of his time and been very generous with donations and collecting donations from the local churches to assist us run some of our programs. Markus and his family (Chloe from Room 4 and Jakob Room 1) will be moving to Switzerland. We wish them all the very best for this exciting new chapter. Markus was nominated for our ‘Outstanding Support Award’ and will now have his name on the honour board for years to come.

**John Andrew Visits**

On Monday Jonh Andrew visited us on his journey around the Yorke Peninsula. John will have ridden over 400km on his journey to raise money for the Royal Flying Doctors service. We proudly handed over $116.20 which we raised from our Wheels Day.

**SAPSASA Athletics**

Some of our students who competed earlier in the year at the District SAPSASA day received their certificates at our week 9 Assembly. Matilda Cox then went on from this day to compete at the SAPSASA Carnival in Adelaide on Monday. She has done our school proud (even if she was disappointed in her jumps) we know she would have given it her all!
**From the staff**

**From The Junior Primary Classes...**

**Milo Cricket**

Thursday last week Rooms 2, 5 and 6 were lucky enough to have some cricketers come visit us from Adelaide and run a Milo cricket session with our Junior Primary Classes. The students had a great time and learnt some new skills.

**From Mr Perry...**

**Now and Then Performance**

On Tuesday afternoon last week we had School Performance Tours come and perform ‘Now and Then’. This production took the students back through time looking at some significant events in Australia’s history using puppets.
From Mrs King...

Aubury Park Camp

The year 3-7 students headed to the Adelaide Hills for their camp this year. The weather was kind and the students had a great time. Aubury Park has lots of outdoor learning activities which the students took part in.

From Mrs Sawley...

Narrunga with KMS

The students from Room 6 were lucky enough to have the Narrunga students from Kadina Memorial School come over for a visit and share their learning.
What does this word mean?? What does it look like?? How can it be used in a sentence?? Can you use this word at home each day??

**Junior Primary**

**SPROUT**

**Upper Primary**

**germinate**

**Quote of the week**

A person who never made a mistake never tried anything new.

Albert Einstein

Try something new over the holidays.
Come and let me know what it was.

Mrs Keleher

**Family Maths Challenge**

**Challenge 9 Answer**

If he eats 3 on Sunday he has 21 left over. He eats 4 on Monday, has 17 left. He eats 5 on Tuesday, has 12 left. He eats 6 on Wednesday, has 6 left. On Thursday he needs 7 but only has 6 so Thursday is the day he finds he can’t follow the procedure!

Congratulations Tyson C Room 5.

**Family Maths Challenge 10**

Looking through the shelves in a second hand book shop you stumble upon a book containing mathematical puzzles. What particularly catches your attention is that someone has written a message, in pencil, on the back page of the book:

NAELUHESRHTCQUWEKWIATG
HZATMXATJHCSAQRXRZYLIONGT
ARWBACTSERNRUBKUKFCFCAWLUOQ

Can you discover the meaning of the secret message?

Record how you do the challenge and then bring it in to school (with name and class) and hand it in to Mrs Keleher by the Friday of week 1.
