Dear Families,

**Term 3**

We have a very busy term planned with lots of learning experiences that students can participate in. Students can choose to take part in the Premier’s Reading Challenge or Be Active Challenge. We have Science week in week 4, Book Week and Literacy Week in week 5 and Numeracy Week in week 6. All great weeks to create a love of learning in these areas.

The NAPLAN online testing will take place for our year 3, 5 and 7 students in week 4 along with Personal Learning Plan meetings.

Later in the term we will complete the PAT M and PAT R testing which will allow us to see the growth students have shown and areas we need to work on.

**Partnership**

On Tuesday 9th of August we will have our early closure for the term. This allows teachers to continue their work with their Network Learning Groups. These are proving to be invaluable sessions for our staff to connect with other teachers within the partnership. This will also continue later in the term when we have our Pupil Free Day.

**Attendance**

Last term our attendance rates were a little higher than usual. We are hoping that these improve this term. I understand that it is important to keep your child home when they are sick and this time of year seems to be the worst but we encourage you to send them in all other circumstances. There will be an end of term reward for those who attend 95% or more of the time.

**VIOLET DAY**

Well done WMPS on raising $9190 for the Paige Weatherspoon Foundation!

**JDRF Fun Run**

Wednesday 7th September is our fundraiser for the Juvenile Diabetes Research Foundation. Students received their sponsorship forms last week. One of the best ways to reach out to Family and Friends is via social media. To sign up to online fundraising, follow the instructions on the separate flyer via [https://typeonefunrun.everydayhero.com/au/get-started](https://typeonefunrun.everydayhero.com/au/get-started)

**RESPECT**

Next Friday, we will be hosting Steve Stokes who works with OAC Ministries. He will presenting a session to our students about respect. The presentation will include a range of magical illusions, video clips and interactive storytelling. It will present a Christian view about the value of all people and the need to respect each other. If you do not wish your child to attend this session, please let the Front Office know.

NAPLAN Online – Getting ready for 2017

The Australian Government is committed to delivering NAPLAN online from 2017, with all schools across the nation transitioning over a 2 to 3 year period.

This change will provide each child with a more personalised learning experience and a better assessment. It also means that the results will be returned to you and your child’s teachers within a few weeks, rather than several months.

Our school will be participating in a trial of the new online system in August 2016. This trial is not a ‘test’ of content; it is a test of how the new online system will work in a real-life classroom environment. You may hear this trial referred to as the NAPLAN Online Readiness Trial.

As part of the trial, students in Years 3, 5, 7 and 9 will undertake 2 online readiness tests. Each test will take approximately 45 minutes to complete.

It is important that we participate in this trial before the system is officially in use in 2017 to enable familiarisation with the system in a classroom setting. Participation will allow us to confirm that every school is ready and that our teachers are confident that their students will be able to participate fully.

This trial will help our site to be well prepared to complete NAPLAN online in 2017 and provide feedback into final changes at a statewide level.

On Thursday of week 10 our year 3-7 ATSI students along with other Aboriginal students from surrounding schools were invited to attend NAIDOC week celebrations at Moonta. The students were welcomed by Moonta Area School at Queen’s Square and took part in a range of activities, listened to the very talented Caleb Raymond from local band “Yorke” and had lunch. It was great way for the students to make connections with other students and meet some new friends.

I thought today was fun because I made 12 friends.

From Mrs Mads...

Wombat Stew

During Term 2 Mrs Mads and her class studied ‘Wombat Stew’. They did various learning tasks focused on the text and finished it off with a play. They performed the play on the last day in front of other classes as well as family members who were invited to come in. The students did a great job learning their lines and the actions. It was very entertaining.

Word Mania

Room 3 has been working hard preparing for the Word Mania competition run by Literacy Planet that officially began this week. As a class we have been taking turns having a go at competing in the Word Mania game on their website. It is fun seeing how many words we can make in 3 minutes, building bigger words and trying to beat our best score each time. We have also been exposing ourselves to more words through completing additional activities such as word shapes, word searches and solving word riddles.

We look forward to taking part as much as we can in the Word Mania competition and see how high we can get our school on the national leaderboard!
**Word of the week**
