Dear Families

This week is SSO Week in all schools and it is an opportunity for us to acknowledge the wide variety of tasks undertaken by this group of people.

In any given week at Wallaroo Mines Primary School our SSO's can be seen:

- 👉 Answering the phone
- 👉 Managing the finances
- 👉 Attending to first aid needs
- 👉 Entering data
- 👉 Facilitating learning through Quicksmart, Minilit or Numicon
- 👉 Supporting with numeracy and literacy groups
- 👉 Managing our IT network
- 👉 Troubleshooting IT needs
- 👉 Tending the grounds
- 👉 Delivering Narungga lessons
- 👉 Supporting speech and language programs
- 👉 Sorting, covering and organizing books and resources.

This is by no means an exhaustive list – there is plenty more that may go unseen, but never unnoticed. Thank you to our SSO's – June Nash, Cynthia Inglis, Fab Appay, Tanya Stevens, Kay Raunic, Sam Kop, Kerry Price and Peter Adams for all that they do to support our students.

Have a great week,

Donella

Well done WMPS on a successful Violet Day! It was great to see so many students get into the spirit of the day and don some purple. Students donated around \$100 to wear purple on the day and sales from the merchandise (plus some more generous donations) added up to over \$300. It was a fabulous effort and all monies went to the Paige Weatherspoon Foundation to help increase community awareness of meningococcal.

It's such an important value to teach our children about being charitable. Donating to a cause and not expecting anything in return can be a difficult concept for children to understand. One of the feel-good stories of Violet Day was a student who had no purple clothing to wear on the day but still made a donation because he wanted to help out. This kindness and empathy towards others less fortunate is something we should all strive to instill in our children.

PLP Meetings

The next round of Personal Learning Plan meetings will take place in week 6 of this term. To make your booking please visit this website address www.schoolinterviews.com.au

Enter the event code **5R9B9**

and follow the step-by-step instructions on the screen. It is important for all families to attend these meetings to discuss individual student learning goals. The PLP meetings will also be an opportunity for families of year 3, 5 and 7 students to discuss NAPLAN results which will be sent home at the end of this week.

2016

During term three we begin looking at our class and staffing structures for the following year. In order for us to do that accurately we need to have an indication of likely enrolment numbers. If you plan on leaving WMPS for the 2016 school year we would appreciate it if you could let us know by emailing donella.glazbrook104@schools.sa.edu.au. We are more than happy to meet with you to discuss the educational needs of your child. If you are aware of any families wanting to enrol their children for next year please encourage them to let us know as soon as possible.
