From The Principal ...

It is with great pleasure that I write this week's newsletter as acting principal of Wallaroo Mines Primary School. I have stepped into the role of acting Principal for the remainder of this term and term 2 while Mrs Keleher fills a position in curriculum development.

Over the last 7 years I have taught at Wallaroo Mines Primary school and had the pleasure of teaching all year levels, helping my students meet their developmental needs. While I certainly have some big shoes to fill, I am delighted to have this opportunity to further support the needs of all students and staff, particularly after the challenging and uncertain 12 months we have all experienced. One thing is for certain though, Wallaroo Mines Primary School has an exciting and action packed term ahead as we prepare for Say no to Bullying Day, Sports Day and Cross Country.

As I have now stepped out of my classroom to fulfil this role, I look forward to having the opportunity to meet many of the parents that I have not yet had the chance to meet. You will find me in the yard for duty before and after school, so please come and say hello!

Yours,

Christy Western
Acting Principal

Tayla Barrand

With Miss Western out of the classroom I will be teaching in Room 5. I have recently graduated from the University of South Australia with a Masters in Teaching and a Bachelor in Human Movement. For the last 8 months I have been working as a temporary relief teacher (TRT) across the Yorke Peninsula, with the occasional day being at Wallaroo Mines Primary school. In my spare time you will find me playing sport (netball and basketball), going to the beach, camping and spending time with friends and family. I am looking forward to getting to know and working alongside the students and staff, as well as being a part of the Wallaroo Mines Primary school community through upcoming events.

From the Student Wellbeing Leader

Congratulations to our Student Representative Council (SRC) and Sports Captains who have proudly accepted the challenge of being a school leader. Honesty, communication, confidence, thinking creatively and having a positive attitude are some qualities commonly shown by good leaders. Our SRC met and shared their qualities and strengths and what they hope to achieve in 2021.

Staff will be undertaking Day 3 of the Berry St Education Model training at our Pupil Free Day next Tuesday. The focus will be on “Stamina and Engagement” – how to help children develop ‘grit’ and resilience.

At times, children experience ‘big feelings’ and their emotions take over, which can make engagement in learning challenging. It may be because they are worrying about something, feeling nervous or anxious, or they may simply be tired and not able to manage their feelings as well as they usually can. Concentrating in class and focusing on lessons can be difficult when big feelings take over.

When this happens, it’s important for children to have a quiet space to go to calm. For this reason we have the “Zen Den”. Children can go to the Zen Den for 10 minutes and do a quiet activity like sand play, cuddle a soft toy, practice deep breathing, watch the liquid timers, rock in the rocking chair, sit in the egg chair or sit in the swing chair. Engaging in a calming activity gives kids a chance to have some space from the situation that is heightening them, so that they can get some control over their emotions. After 10 minutes, children return to class ready to learn.

If you would like any more information about the Zen Den or other strategies being used in class to help children manage their emotions, please talk to your child’s teacher or myself. This year my work days are Monday and Tuesday. If you would like support with any issues, please contact the front office to make an appointment.

Sincerely,
Kris

Student Representative Council

On Tuesday the 23rd of February, we inducted our Student Representative Council. All representatives went through the election process, by presenting speeches and then having the courage to put themselves forward for votes. On Friday 9th of April, we are holding our Cross Country Run. As we require the assistance of some parents for check points around the course as we are leaving the school grounds for some parts of the course. The events commence at 9:00am and we will need to have the volunteers at school by 8:45am. If you can help, please let us know by Sports Day (Thursday 1st of April). We hope to see many parents there to support the children in their events.

Student Representative Council

Thank you to our guest speaker Matilda Cox who is a past student for speaking at this year's induction assembly. Matilda was a previous leader and role model within our school. Matilda continually strived to do her best while at WMPS and always demonstrated the values each day. Thank you to Rebecca Cox our outgoing Governing Council Chairperson and Craig Ayles our current chair for coming in to give out badges and certificates in recognition of these achievements.

Let's meet our Student Representative Council for 2021 and see what they want to achieve...
