## From The Principal ...

Welcome back to term 2! What a busy term we have had for only being three weeks in. Students have already represented our school at SAPSASA Cross Country and Athletics; Mrs Stevens and Mrs Woodforde have students busy practising for the Maypole and Furry Dance and we have just about completed Naplan for 2021. We have seen students busy in the nature play area creating all sorts from bon fires and army bases to tree houses and spas. They really do run wild with their imagination in there. We have made some safety updates in the nature play area, cementing in the big tyres to prevent children from lifting and moving them.

With the mornings getting colder, we are noticing more families dropping their children to school. Just a reminder that parking at the front of the school, on Lipson Avenue, is not allowed as this is just a quick drop off zone. If you do wish to park and walk your child in, then please do so in the parks located at either end of the school.

Colder days can also mean children are more reluctant to come to school. There are times when students need to be absent for legitimate reasons, however, it is important to minimise time away from school. It is crucial not only academically but also socially that students build skills that are developed through attending school each day.

With the change in seasons, now is the time for jumpers and pants. There are already a number of unnamed jumpers in the lost property box. If you get a chance could you please take a look for any your child may have lost? Please remember jeans and striped pants are not part of our uniform, if your child wears leggings please ensure they are navy. Sneakers are the most appropriate shoes to be worn at school.

## From the Student Wellbeing Leader

Staff are currently completing the final sessions of the Berry St training, focusing on Character. Exploring character helps you to develop awareness of who you want to be (values) and how you want to act (strengths).

The 24 Character Strengths are:

Strengths of the head	Curiosity	Creativity	Judgment/ Critical Thinking	Love of Learning	Perspective
Strengths of Action	Bravery	Persistence	Integrity/ Honesty	Vitality Zest	
Strengths of the Heart	Love	Kindness	Social Intelligence		
Strengths of Community	Teamwork/ Citizenship	Fairness	Leadership		
Strengths of Self-Control	Mercy/ Forgiveness	Humility/ modesty	Prudence	Self- Regulation	
Strengths of Meaning	Appreciate Beauty & Excellence	Gratitude	Hope/ Optimism	Humour	Spirituality Belief

All kids need adults who **SEE** them

Spot their strengths

Explain its use

Express appreciation

Focusing on strengths builds positivity and hope. During the term, staff will be helping students to recognise and build on their own strengths. If you are interested in learning more about your own strengths, you can find a free survey on [viacharacter.org](http://viacharacter.org)

“Sincerity carries the words and actions from the heart of one to the heart of another.” Wilson McCaskill “Play is the Way”

## Our Strengths

Through the Berry Street training, staff have been exposed to the importance of identifying our signature strengths. Before asking the students to share, we will show you what strengths the WMPS teachers bring to our school.

## SAPSASA Athletics

12 students headed to KMS on Friday 7th May to represent WMPS at the 2021 District Athletics Day. All students demonstrated excellent school values throughout the day, showed respect to officials and competitors, and gave a tremendous effort in their respective events.

### Participants:

#### 10 year-olds

Harley Bellchambers-Tremayne - 100m, 200m, 800m, long jump  
Adora Chapman - 100m, 800m, long jump  
Cameron Muench - shot put

#### 11 year-olds

Ethan Morris - 100m, 200m, 800m  
Alisha Johnson-Matthews - long jump, shot put  
Blake White - 800m, high jump  
Liam Wright - long jump

#### 12 year-olds

Max Yates - shot put

#### 13 year-olds

Tyson Gray - 100m, 200m, 800m, high jump  
Hugh Price - shot put

Congratulations to Tyson who was selected to represent the NYP at the State Championships later this year!

## SAPSASA Cross Country

On Friday the 30<sup>th</sup> of May Tyson Gray, Caiden Ramsey, Ethan Morris and Adora Chapman represented WMPS at the SAPSASA Cross Country. The students had a very successful day with Tyson coming first, Caiden 7<sup>th</sup>, Ethan 10<sup>th</sup> and Adora 7<sup>th</sup>. Well done to these students on their efforts and congratulations to Tyson who will be moving on to represent our district in the state competition.

## WIND CATCHERS

In Science, our class has been exploring types of energy. As part of our learning, students were set the task of building a wind catcher to prove how different forces work together to transform energy for everyday use.

After making our wind catchers, we then tested how many rotations the wind catchers made in a 15 second span. The design with the most rotations spun more than 70 times in 15 seconds!

Here are a few photos of some of our designs.

Stop

Motion

Videos

This term we have also enjoyed learning how to make 'Stop Motion Videos.' Stop motion is an animation technique in which one photograph is captured at a time. In between each photograph the objects in the frame are moved slightly. When the photographs are strung together in a video it gives the impression that the objects are moving on their own. We look forward to presenting some of our 'Stop Motion Videos' at the next assembly.

## ANZAC Day

Thank you to the students, staff and families who braved the cold and early morning on ANZAC Day to pay their respects on behalf of our school at the Dawn Service in Kadina.

June Nash, Sam Kop, Adora Chapman, Caiden Ramsey, Max Read, Blake Cresswell, Tom Jurgens, Kylie Cresswell, Riley Ayles, Leo Oliver, Mackensie Oliver, Sophie Ayles, Tyson and Laura Wapper

### Do you work with parents of children with disabilities?

Link them to free local support.

MyTime groups offer facilitated peer support to parents of children with disabilities, developmental delay or chronic medical conditions. Members can build social connections with others in their area, learn about local services and supports, and access evidence-based information.

Research shows parents of children with disabilities are at a higher risk of stress and isolation. By connecting with others in similar situations, parents feel less lonely and better able to cope.

**MyTime is free, and parents can join regardless of their child's disability diagnosis.**

### Does your child have a disability?

Make time for you at MyTime.

Find real support from friends who understand at MyTime.

Share your experiences with others who 'get it', learn about services and support available to you, and gain access to trusted and reliable information.

Take time for you, and while you relax, your pre-school aged child is engaged in play with a trained professional.

**Best of all, it's free.**
